# SUNSET CRUISE WITH RAF TORNADOS

Experience the hypnotic beauty and tranquility of DCS flight as you cruise down the Persian Gulf at sunset.

Roundez vous with JACKAL - a four-ship of Royal Air Force Tornado Gr4s inbound to AL Dhafra in the UAE. Fly in formation at low level and make your way down to Ferrari World for a flypast (FULL CUSTOM AUDIO, SFX & MUSIC)

Fly loose and relaxed or tight group formation Red Arrows style (with custom audio and comms)

Take in the sites of Oman and the UAE with seafront flypasts of famous areas around Dubai and ABU Dhabi.

Includes a tribute to Gulf War veterans and serving personnel.

A simple, calm and relaxing sortie set in stunning conditions.

Take in this full-experience mission that includes...
