

Mission 3, Hot dock

70mn

4th of June 1992

The UAE has decreed an exclusion zone including Abu Musa and its territorial seas (coastal waters up to 12 nm). All Iranian aircraft or ship detected in this area may be shot down without warning.

Actually, it's more of a bluff. The UAEAF is not fitted to do that 24/7. The UAE hoped for the support of neighboring countries, such as an Arab coalition. But so far they have remained pretty discreet. The fate of the island does not seem to interest anyone. So the UAEAF has to keep pressure on Abu Musa ... alone.
