

## A-10 Ferris Splinter [Fictional]

This is a basic Splinter scheme based on an F-15C design modified for the A-10 airframe, and also some artistic liberties as well. While the A-10C is shown, this can also be used on the A-10A, simply copy and paste the folder into the Bazar\Liveries\A-10A or A-10C and select “Ferris Splinter No.1” in the Payload Menu and go fly.
