# MISSION 2 – CAS FOR BADGER

## MISSION OVERVIEW

UZI 1 flight will be manning the ALERT-15. The jets are loaded in the double ugly configuration, two AGM-65Es and two GBU-12 each.

## WEATHER

A strong high pressure system continues to remain in place over the AO, which will give us VFR conditions for the next 24-36 hours. Conditions will be, throughout the area, few clouds and visibility 15+ miles in haze. Winds in general will be light from the south west. Overnight temperatures will be in the mid 20's, rapidly increasing as the sun comes up to the expected high of 39 degrees.
