

OPERATION KHALID

ROYAL JORDANIAN AIR FORCE

Situation

Iranian backed militia named 'Al Fatimiyoun' has taken control of southern parts of Syria. The radical militia has attacked Jordanian Armed Forces guarding the northern borders. And has threatened to target security checkpoints, border guards and army outposts. the militia has access to weapons that are capable of hitting targets deep inside Jordanian soil.

Mission

The Jordanian border guards carried out reconnaissance operation and spotted targets 10km near the north west of Jordanian borders.

The targets have been identified as militia insurgents preparing to attack Jordan.

Command believes the insurgents will target the Air Force's 9th squadron base near city of Irbid.

Capt. Moaath Assaf 'Viper' has been assigned with air strike mission against the militia group.
